Forerunners in a New Generation of Ministers...

Charlie Campbell

Marissa Campbell

Jacksonville, FL: Charlie and Marissa Campbell are the Senior Pastors of the Bridge Church of Jacksonville and Founders of Bridge Builders International Ministries. They have combined over 20 years involved in several different ministry applications including Children's Ministry, Youth Pastors, Small Groups, Bible Teaching, Missions and Discipleship. The heart of their ministry is to see the people of all generations challenge the standard of this world. Their ministry foundation is built upon Isaiah 58:12... ***Those from among you Shall build the old waste places; You shall raise up the foundations of many generations; And you shall be called the Repairer of the Breach, The Restorer of Streets to Dwell In.***

They are passionate about winning the lost for Jesus Christ and establishing new levels of worship, prayer, evangelism and spiritual hunger in the children of God. Both Charlie and Marissa have traveled internationally preaching and teaching the gospel of Christ. The Campbells reside in Jacksonville, FL with their two daughters Brianna and Sydney.
